Coffee Shop:

- Developed a two-page responsive website.
- Implemented responsive design for screen widths down to 380px.
- Added interactivity to pages using JavaScript, enhancing user engagement.

• Entrepreneur in trade 2000-2023

I honed skills in responsibility, punctuality, attention to detail, interpersonal communication, and conflict resolution. Seeking new, exciting, and inspiring challenges and opportunities for growth, I decided to leave the trade industry and dedicate myself to studying and developing my skills in frontend development.
